

Responsible Management of Licensed Venues Course (RMLV)

The RMLV course is a mandatory requirement for licensees (if individuals) and approved managers. RMLV training may also be required for permit holders under certain circumstances.

The one day training course is facilitated by experienced local industry Trainers and Assessors under license from the Office of Liquor and Gaming Regulation.

This unit deals with the performance outcomes, skill and knowledge required to responsibly sell or serve alcohol and to satisfy the requirements for the sale and service of alcohol under Queensland State legislation.

Topics covered in this course include:

- Legal framework
- Your obligations and duties
- Licenses and permits
- Responsible Service of Alcohol - the law
- Noise strategies
- Best practice management
- Industry network contacts
- Risk management practices

Who should do this course:

- Managers
- Supervisors
- Duty Managers
- Licensees
